A Report – Workshop G-20 Eco Friendly Lifestyle.

A workshop on Eco–Friendly lifestyle was organized by AVP Sanstha's Adarsh College of Arts & Commerce, Under G-20. The purpose of this workshop was to create awareness about conservation of energy resources and Eco Friendly lifestyle. This program was conducted in online mode on 17th Nov.2023. Mr. Prashant Shinde, Director of Non Governmental social organization Shrushtidnyan, was present as the resource person. He informed that environment conservation is given importance from historical period and needs to continue today. He explained that implementation of four R is important for Eco Friendly Lifestyle. These are Refuse, Reduce, Reuse, Recycle & Regenerate. While using natural resources we must apply the four R to conserve our environment. In our life we must think and act in eco friendly approach for continuous conservation of our natural resources

The program was compered by Mr. Laxmikant Satpute, Mr. Mandar Thakur introduced the Chief Guest. Introductory speech was delievered by I/C Principal Dr. Sangeeta Pande, in which she insisted the need of environment conservation and importance of role of the Group of twenty (G-20) in environment conservation. Ms. Daksha Halkare proposed Vote of Thanks.
