## **Proposal for Computer Training Program Collaboration with Adarsh Arts & Commerce College, Kulgaon, Badlapur and D-Tech Computers.**

Introduction: We are pleased to present a proposal for collaboration between our organization and Adarsh Arts & Commerce College for conducting a comprehensive computer training under various government skill development projects. In today's digital age, proficiency in computer skills is indispensable for students to thrive in both academic and professional spheres. This proposal outlines the objectives, structure, and benefits of the proposed collaboration.

### **Objectives:**

1. Equip students with essential computer skills required for academic excellence and career advancement.
2. Bridge the gap between theoretical knowledge and practical application in the field of information technology.
3. Empower students with proficiency in commonly used software applications and programming languages.
4. Enhance students' employability by providing industry-relevant computer training.

**Program Structure:** The proposed computer training program will consist of the following components:

### **1. Curriculum Design:**

- Development of a customized curriculum tailored to the specific needs and skill levels of students.
- Inclusion of modules covering fundamental computer skills, software applications (e.g., Microsoft Office Suite, Computerized Accounting Tally Prime, Advanced Excel), programming languages (e.g., Python, Java), Graphic Designing and emerging technologies (e.g., data analytics, cybersecurity).

### **2. Training Delivery:**

- Experienced instructors will conduct interactive training sessions in our organization.
- A blend of theoretical concepts and hands-on practical exercises will be employed to ensure effective learning outcomes.
- Regular assessments and progress tracking will be implemented to monitor students' performance and provide timely feedback.

### **3. Resource Provision:**

- Provision of necessary hardware, software, and learning materials required for conducting the training program.
- Access to online resources, tutorials, and additional support materials to supplement classroom learning.
